

### REMARKS

Applicants thank the Examiner and his supervisor for the telephonic interview held regarding this application on August 18, 2009. In the interview, agreement was reached that the amendment to claim 31 previously filed on June 30, 2009 did not constitute new matter, based on the procedures described in M.P.E.P. § 2173.05(i), and that the claims were in condition for allowance subject to a further amendment to claim 31 to address the inclusion of the phrase "such as."

Applicants have now amended claim 31 to replace the phrase "such as" with the phrase "selected from." The enclosed amendments also include those previously submitted on June 30, 2009. No new matter has been added.

### CONCLUSION

Applicants submit that the claims are in condition for allowance, and such action is respectfully requested. Enclosed is a petition to extend the period for reply for one month. If there are any additional charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
